Communications Supply Corporation  
A Subsidiary of WESCO Distribution, Inc.

people. passion. expertise.

# Secure Network SOLUTIONS

Founded in 1972, Communications Supply Corporation (CSC), a subsidiary of WESCO International, Inc. (NYSE: WCC) distributes a full range of IP infrastructure products and solutions. Together, CSC and WESCO form the largest electrical and data communications network in North America, with 380 full service Branches, a full suite of global distribution capabilities and annual sales of over \$6 billion. In 2006, CSC launched the Secure[it]™ program focused primarily on providing new and innovative solutions for secure network deployments and C4ISR facilities. Secure[it] is closely aligned with the Department of Defense's Defense-in-Depth strategy, with an increased focus on network security and Information Assurance across both the commercial and government IT communities. With the increased integration and synergy between physical and network security, the Secure[it] program has expanded to include innovative network infrastructure and physical security products and solutions. By combining physical security and network infrastructure products, Secure[it] provides a layered approach to network security, which:

- Enables comprehensive yet cost-effective protection against the growing threats to sensitive information and critical infrastructures
- Reduces the cost and complexity of deployment for C4ISR networks and SCIF facilities

With the increased deployment of SIPRNET, JWICS, and other secure networks, CSC has partnered with several leading manufacturers to develop and deliver innovative products and solutions that enhance the deployment, management, protection, and defense of critical networks. After all, your information is only as SAFE as your NETWORK INFRASTRUCTURE...

### Red/Black Equipment Room

- 1 High-Density Racks & Cabinets
- 2 Secure Connectivity & Jacks
- 3 Copper/Fiber Patch Panels & Cords
- 4 Power over Ethernet Modules

### Voice/Data Cabling

- 5 Category 5e/6/6A UTP Cables
- 6 Category 6/6A FTP Shielded Cables
- 7 Category 7/Class F Cables
- 8 Pre-Terminated LAN Copper & Fiber Optic Cables
- 9 Pre-Terminated OSP Fiber Optic Cables
- 10 Armored Fiber Optic Cables
- 11 SCIF/Multiple-Classification Cables
- 12 Air Blown Fiber

### Connectivity

- 13 Secure/Keyed Connectors & Jacks
- 14 Secure Fiber Optic Zone Box
- 15 Copper & Fiber Patch Panels

### Pathway & Enclosures

- 16 Hardened Carrier PDS Raceway
- 17 PDS Enclosures & Lock Boxes
- 18 Surface-Mount Raceway
- 19 Zone Boxes

### Workstation Access

- 20 Secure Communications Pole
- 21 Workstation Outlets, Faceplates, & Jacks
- 22 Secure/Keyed Jacks
- 23 Secure KVM & A/B Switches
- 24 Fiber NIC Cards

### Network Security

- 25 Alarmed Carrier PDS Equipment
- 26 Optical Network Security & Analysis
- 27 Intelligent Asset Management
- 28 Secure Optical COOP Switches
- 29 GSA-Approved Locks
- 30 Cell Phone Detector & Blocker

## Distribution SERVICES

### 1 "At-the-Desk" Services

- **Experience:** CSC salespeople average over 13 years industry experience. They understand your business almost as well as you do.
- **24x7 Support:** Your business day doesn't necessarily end at 5 p.m. We're a trusted partner that you can count on, whenever and wherever you need us. Contact your local CSC office for after-hours and emergency contact information.
- **Real-Time National Network:** You receive accurate, up-to-the-minute visibility to our nationwide inventory and order processing (picking, packing, and shipping information).
- **Product Sourcing:** We have numerous key relationships in order to source your unique requests. If by chance we don't have what you're looking for, we know how and where to get it.

5

### Administrative Efficiencies

- **Job Accounts:** Improve operational efficiencies and project management by opening up separate job accounts for each distinct project.
- **report(it):** Manufacturer-specific point-of-sale reports.
- **Consolidated Billing:** Increase your accounts payable efficiencies and minimize your paperwork by letting CSC provide you with one billing statement.
- **Return Policy:** Minimize project surplus and maximize your profitability.
- **Customized Reporting:** Ask us about creating customized purchasing reports to help you analyze your buying patterns.

### 2 Logistics

- **Whole Order Delivery:** By shipping orders complete, we reduce your project down time.
- **Project Staging:** We understand your workflow and project timeline. CSC meets your unique requirements by bulk warehousing, consolidating shipments, and then shipping when you need the products on-site.
- **Cut-To-Length Cabling Services:** Cable cutting to the job's needs shortens installation time and waste. Cut-to-length wire, cable, and optical fiber are available for virtually any application.
- **Kitting:** Reduce your installation time by having all the necessary materials for your job in one place. We pick and pack to your special requirements.
- **Special Packaging & Labeling:** To help identify your shipments on-site, we will package and label per your exact requirement, whether by site, building, floor, or location.
- **Carrier Selection:** CSC contracts with many of the top industry carriers, giving you a variety of lower-cost shipping options. You can be confident your delivery requirements will be met.

4

### Information Resources

- **CSC Catalogs and Hot Products Guides:** The industry's most comprehensive Structured Wiring and Low Voltage Catalogs and Hot Product Guides quickly identify everything you need for your day-to-day and project-based requirements.
- **Training and Education:** For the past six years, CSC has offered our national education series called enhance(it) seminars. With over 6,000 industry professionals in attendance and over 42,000 BICSI Continuing Education Credits (CECs) awarded, these unbiased seminars have been recognized as one of the nation's leading sources of accredited continuing education. The one day course provides seven BICSI CECs for RCDD and/or installation.
- **www.gocsc.com:** Download pages from our newest catalogs, Hot Product Guides, and other CSC literature, or access our interactive line card to be linked to the web sites of the industry's premier manufacturers.
