## TERMS AND CONDITIONS OF SALE

For and in consideration of the extension of credit by CSC to Applicant, Applicant agrees to the following Terms and Conditions.

1. Upon approval of this Application, CSC in its sole discretion, and notwithstanding any request of Applicant, will assign Applicant a maximum credit line and shall have the right to increase, decrease or terminate Applicant's credit privileges under this Application at any time and without notice to Applicant, except as otherwise required by law.
2. All purchases by Applicant of goods and/or services from CSC will be made in accordance with the Terms and Conditions of this Application and any invoice and/or other documents issued by CSC evidencing Applicant's obligations to CSC, all of which are incorporated herein by this reference. Applicant agrees and understands that CSC, at its sole discretion, may change the Terms and Conditions of this Application, its invoices and all other similar documents. CSC is not bound by any terms on Applicant's order which attempt to impose any condition at variance with CSC's terms. CSC's failure to object to provisions contained in any of Applicant's forms shall not be deemed an acceptance of any of Applicant's terms or waiver of the provisions of CSC's Terms and Conditions.
3. Payment of the purchase price for goods and/or services acquired from CSC shall be made pursuant to the terms set forth on each invoice, and Applicant agrees to pay all charges according to the payment terms established in said invoice. The entire outstanding balance due to CSC on all invoices shall become due in full immediately upon default in the payment of any invoice. Applicant will pay a service charge of \$50.00 or the maximum allowed by law for each check returned by Applicant's bank.
4. Any sales contract entered into between CSC and Applicant may not be modified or rescinded except in writing signed by Applicant and CSC. If all or part of the sales contract is terminated by such modification or rescission, Applicant in the absence of contrary written agreement between CSC and Applicant, shall pay termination charges based upon costs determined by accepted accounting principles, plus a reasonable profit on the entire quantity ordered. Costs shall include any amount CSC must pay to its suppliers due to any termination by CSC of a purchase order for products intended for Applicant.
5. CSC takes no responsibility for material returned without proper authorization. Where CSC gives shipping instructions for returning goods, they should be carefully followed so that credit may be issued promptly. Material returned with CSC's authorization, and in good condition, within 30 days of purchase will be credited at sales price less a 30% restocking charge and/or any applicable charges from the manufacturer.
6. In the event Applicant orders any inventory from CSC which CSC produces or procures for Applicant and such inventory is not readily saleable to other customers of CSC, Applicant agrees to be responsible for and pay for all such custom or specially procured inventory, notwithstanding any defenses Applicant may have as to its failure to pay for other inventory and notwithstanding Applicant's failure to use or sell such inventory.
7. Applicant agrees to pay interest in the amount of 1.5% per month, or the maximum rate that Applicant may lawfully contract to pay, whichever is less, and in all events calculated in accordance with applicable law, on any payment considered past due until collected. Applicant agrees to pay all costs of collection incurred by CSC, including attorneys' fees and expenses, should a default in payment or any other obligation of Applicant occur. Notwithstanding the use of the words "service charge" or similar language on any statements or invoices, said words shall be construed as interest charges on past due payments as provided and limited hereinbefore.
8. To secure the full and timely payment by Applicant to CSC of all now existing and hereafter arising amounts due CSC, Applicant hereby grants to CSC a priority security interest and lien in and to all goods, inventory, equipment and fixtures sold to Applicant by CSC from time to time, and all other assets of Applicant, including, without limitation, all of Applicant's now existing or owned or hereafter arising or acquired (a) accounts; (b) goods for sale, lease or other disposition by Applicant which have given rise to Account and have been returned to or possessed or stopped in transit by Applicant; (c) chattel paper, electronic chattel Paper, tangible chattel paper, documents of title, instruments, documents, general intangibles, payment intangibles, letter of credit rights, letters of credit and supporting obligations; (d) goods, including, without limitation, inventory, equipment, fixtures, trade fixtures and vehicles; (e) investment property; (f) deposits, cash and cash equivalents and any property of Applicant now or hereafter in the possession, custody or control of CSC; (g) deposit accounts held with any depository institution; (h) all other personal property of Applicant of any kind or nature; and (i) all commercial tort claims (the "Products") and all cash and non-cash proceeds of all of the foregoing property, including, but not limited to, proceeds of all insurance policies insuring the foregoing. Applicant hereby authorizes CSC to file and perfect any and all statutory lien rights and any rights under indemnity or performance bonds at any time regardless of whether payment is due to CSC under CSC's payment terms with Applicant. Applicant shall execute and deliver to CSC, at any time and from time to time, all agreements, instruments, documents and other written matter (the "Supplemental Documentation"), that CSC may request, in form and substance acceptable to CSC, to perfect and maintain perfected CSC's priority security interest and lien in and to the Products and/or other lien or bond rights provided herein, and to otherwise consummate the transactions contemplated by this paragraph. Applicant, irrevocably, hereby makes, constitutes and appoints CSC, and all persons designated by CSC for that purpose, as Applicant's true and lawful attorney and agent-in-fact, to sign the name of Applicant on the Supplemental Documentation if required, and to deliver such Supplemental Documentation to such persons as CSC may reasonably elect. Applicant hereby authorizes CSC to prepare and file any Uniform Commercial Code ("UCC") financing statements, amendments to UCC financing statements and any other filings or recordings in all jurisdictions where CSC determines appropriate without Applicant's signature, and authorizes CSC to describe the collateral in such financing statements in any manner as CSC determines appropriate.
9. This Application and all transactions between Applicant and CSC shall be governed by and interpreted in accordance with the laws and decisions of the State of Illinois. Applicant irrevocably agrees and hereby consents and submits to the non-exclusive jurisdiction of any state or federal court located in the State of Illinois, without regard to the conflicts of law provisions thereof, with regard to any actions or proceedings arising from, relating to or in connection with Applicant's obligations to CSC or this Application. Applicant waives any right it may have to change the venue of any litigation brought against it by CSC and further waives any right to trial by jury. Applicant hereby (a) agrees that CSC may, at CSC's sole option, require Applicant to arbitrate any controversy or claim arising out of or relating to this Application, any credit extended by CSC to Applicant or any other issue with the American Arbitration Association in accordance with its Commercial Arbitration rules and any judgment or award rendered in connection therewith shall be entered in any court having jurisdiction thereof, (b) consent to the Arbitration in Chicago, Illinois, and to the application of Illinois law with the exception of Illinois conflicts of laws rules, and (c) agrees to pay all costs and expenses in connection with the arbitration, including, but not limited to, arbitrator's fees, administration fees and attorneys' fees.
10. Applicant hereby agrees to immediately notify CSC of any sale of a significant portion of the assets or business of Applicant, or a sale of a substantial interest in the capital stock or other ownership interest of Applicant.
11. Applicant agrees to neither order nor accept goods from CSC while Applicant is insolvent within the meaning of Section 1-201(23) of the UCC. Every order placed, or delivery accepted, while Applicant is insolvent shall constitute a written misrepresentation of solvency to CSC within the meaning of Section 2-702(2) of the UCC.
12. If this Application is not approved in full or if any other adverse action is taken with respect to Applicant's credit with CSC, Applicant has the right to request within 60 days of CSC's notification of such adverse action, a statement of specific reasons for such action, which statement will be provided within 30 days of said request. The federal Equal Credit Opportunity Act prohibits creditors from discrimination against credit applicants on the basis of race, color, religion, national origin, sex, marital status or age (provided that the applicant has the capacity to enter into a binding contract); because all or part of the applicant's income derives from any public assistance programs; or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act. The federal agency that administers compliance with this law concerning the creditor is the Federal Trade Commission, Washington, D.C.
